AUTHORISATION & AGREEMENT BY APPLICANT(S)

1. We understand that by making an application for housing, we are authorising Habitat for Humanity New Zealand Ltd (hereafter called Habitat for Humanity, and all Directors, Staff and Selection Committee members) to evaluate our actual need for a Habitat home, our ability to pay rent and later on repay the loan and other expenses of homeownership and our willingness to be a partner family.
2. We understand that the evaluation by Habitat for Humanity will include much personal information including family history, employment and income verification, rental payment verification, personal references, budget appraisal, asset and liability appraisal, and other information. For the purposes of the Privacy Act: a) we agree to provide all this requested information to Habitat for Humanity for their use in our housing evaluation and possible selection; and b) we agree Habitat for Humanity may contact any third party to request verification of information provided by us.
3. We understand that should we be successful in reaching the final stages of the selection process, that Habitat for Humanity will interview us in our current place of residence, and may require further information from us to assist them in concluding the selection process, including a credit and possibly a police check. We understand that if eventually selected as a partner family, we will have to agree in writing with the then current Habitat for Humanity policies in place at the time of final selection.
4. We understand there is a huge need in our communities for helping families out of substandard housing conditions. Habitat for Humanity has a difficult task in being able to help only a small proportion of those who need housing assistance. We understand that Habitat for Humanity will assess our application fairly in accordance with their criteria; also that should we be unsuccessful in being selected, there will be no debate or justification process entered into by Habitat for Humanity for any reason. Also we understand no correspondence (either verbal or written) will be entered into by Habitat for Humanity regarding any reasons for being declined.
5. We have answered all the questions and information requests on this application truthfully. We understand that if we have not answered truthfully, our application may be declined by Habitat for Humanity. If we are selected and housed, this also applies to any point in the future up to the time of signing a legal Sale & Purchase Agreement. We understand we may be disqualified from the Habitat for Humanity programme at any time up to that point, if it comes to light that we have been untruthful in any way.
6. We understand that if we are selected as a Habitat for Humanity Partner Family, we agree to any Habitat for Humanity supervised media exposure in order to benefit the ongoing work of Habitat for Humanity locally, nationally and internationally. We also agree that any photographs taken of our family and/or our Habitat house may be used by Habitat for Humanity at any time for publicity and promotional purposes.
7. We understand that: a) if our application is declined, Habitat for Humanity will shred all documents; b) if our application is "put on hold", we agree to Habitat for Humanity keeping all documentation for subsequent review, for that purpose only; c) if our application is successful, we agree to Habitat for Humanity keeping all documentation in our House File, until such a time when we have fully paid for and own our own home and title.
