AUTHORISATION & AGREEMENT BY APPLICANT(S)

1. We understand that by making an application for housing, we are authorising Habitat for Humanity Northern Region (hereafter called Habitat Northern Region, and all Directors, Staff and Selection Committeemembers) to evaluate our actual need for a Habitat home, our ability to pay rent and later on repay the loan and other expenses of home ownership and our willingness to be a partner family.
2. We understand that the evaluation by Habitat Northern Region will include much personal information including family history, employment and income verification, rental payment verification, personal references, budget appraisal, asset and liability appraisal, and other information. For the purposes of the Privacy Act: a) we agree to provide all this requested information to Habitat Northern Region for their use in our housing evaluation and possible selection; and b) we agree Habitat Northern Region may contact any thirdparty to request verification of information provided by us.
3. We understand that should we be successful in reaching the final stages of the selection process, that Habitat Northern Region will interview us in our current place of residence, and may require further information from us to assist them in concluding the selection process, including a credit and possibly a police check. We understand that if eventually selected as a partner family, we will have to agree in writing with the then current Habitat Northern Region policies in place at the time of final selection.
4. We understand there is a huge need in our communities for helping families out of substandard housing conditions. Habitat Northern Region has a difficult task in being able to help only a small proportion of those who need housing assistance. We understand that Habitat Northern Region will assess our application fairly in accordance with their criteria; also that should we be unsuccessful in being selected, there will be no debate or justification process entered into by Habitat Northern Region for any reason. Also, we understand no correspondence (either verbal or written) will be entered into by Habitat Northern Region regarding any reasons for being declined.
5. We have answered all the questions and information requests on this application truthfully. We understand that if we have not answered truthfully, our application may be declined by Habitat Northern Region. If we are selected and housed, this also applies to any point in the future up to the time of signing a legal Sale & Purchase Agreement. We understand we may be disqualified from the Habitat Northern Region programme at any time up to that point, if it comes to light that we have been untruthful in any way.
6. We understand that if we are selected as a Habitat Partner Family, we agree to any Habitat supervised media exposure in order to benefit the ongoing work of Habitat locally, nationally and internationally. We also agree that any photographs taken of our family and/or our Habitat house may be used by Habitat at any time for publicity and promotional purposes.
7. We understand that: a) if our application is declined, Habitat Northern Region will shred all documents; b) if our application is "put on hold", we agree to Habitat Northern Region keeping all documentation for subsequent review, for that purpose only; c) if our application is successful, we agree to Habitat Northern Region keeping all documentation in our House File, until such a time when we have fully paid for and own our own home and title.
