

**every partnership**  
supports Kiwi families in  
housing need and strengthens  
our community

## Partner with Habitat for Humanity

Habitat offers partnerships that bring value to both organisations and make a tangible difference in our local community.

### **Sponsorship**

Partner with Habitat and align your brand with our mission. Every sponsorship helps to build strength, stability and self reliance through shelter.

### **Volunteer**

By engaging with Habitat through volunteering, Corporate teams can help improve homes and lives in a meaningful way.

### **Services**

Provide your expertise to help Habitat deliver its programmes or support innovation.

### **Materials**

Whether end of line or returned stock, Habitat accepts a wide range of materials that can be used in our programmes or sold through our ReStore charity shops to raise valuable funds.

### **Workplace giving**

Workplace giving is a simple, hassle free yet powerful way to engage and motivate your team with Habitat. Organisations and their employees can give a little or a lot, as many times as they like throughout the year.

**Your contributions large and small  
make a difference to help more  
Kiwi families build a better future.**
