

GLOBAL VILLAGE

Build in Fiji

JOIN OUR TEAM

8-12TH APRIL 2024

Spend a week building or repairing homes in Nadi, Fiji, to help local families access a safe and decent place to call home.

When

8-12th April 2024

Where

Nadi, Fiji.

Project

This build project may involve aspects of home repair, construction, or helping with community projects such as water and sanitation programmes.

Volunteer tasks may include digging, mixing, concrete, painting, constructing panels and putting up wall cladding, pipe trenching, stand pipe and tank base construction.

Cost

\$2,700*

*Please note does not include airfares or visa costs.
