

# GLOBAL VILLAGE

## Build in the Philippines

## JOIN OUR TEAM

### 19-23RD AUGUST 2024

Spend a week volunteering in the Philippines to help local families access a safe and decent place to call home.

### Project

This build project may involve aspects of home repair, construction, or helping with community projects such as water and sanitation programmes.

Volunteer tasks may include digging, mixing, concrete, painting, constructing panels and putting up wall cladding, pipe trenching, stand pipe and tank base construction.

### When

19-23rd August 2024

### Cost

\$2,900\*

\*Please note this indicative cost does not include airfares or visa costs.
