

GLOBAL VILLAGE

Build in Vietnam

JOIN OUR TEAM

5-9TH AUGUST 2024

Spend a week volunteering in Vietnam to help local families access a safe and decent place to call home.

Project

This build project may involve aspects of home repair, construction, or helping with community projects such as water and sanitation programmes.

Volunteer tasks may include digging, mixing, concrete, painting, constructing panels and putting up wall cladding, pipe trenching, stand pipe and tank base construction.

When

5-9th August 2024

Cost

\$2,800*

*Please note this indicative cost does not include airfares or visa costs.
